#### **Promotion of Access to Information Act**

The Promotion of Access to Information Act (PAIA) No.2 of 2000 has been formulated to give effect to the right of access to information as enshrined in the South African Constitution. CAPRISA views this as not merely an issue of legal compliance, but rather an opportunity to deal with information management in a holistic and integrated manner. The CAPRISA PAIA Manual provides references to the records held by CAPRISA and the process to request access to such records:

A copy of the manual is available to the public for inspection at the Human Rights Commission (“HRC”) and CAPRISA head office.

#### **Protection of Personal Information Act**

The Protection of Personal Information Act (POPI) No.4 of 2013 is to promote the protection of personal information by public and private bodies. CAPRISA takes POPI and the protection of your personal information seriously. The Personal Information Protection Document sets out CAPRISA’s POPI compliance principles:
