

THE THIRD UMPIRE

SALIM ABDOOL KARIM

From the first day of the lockdown, the globally respected scientist, first appointed as chair of his ministerial advisory committee on Covid-19, has been a reassuring presence for SA. Koleka Mlisana has big boots to fill.

NOMPUMELELO MOKOU

In the latest high-profile move in the management of Dimension Data, Mokou's appointment as head of the company's Southern African region comes as current COO Werner Kapp gets ready to replace Grant Bodley as CEO from April.

MAGDA WIERZYCKA

Love her or hate her, the Sygnia founder's big personality has been a big factor in propelling the profile of the asset manager. In a surprise announcement, Wierzycka is stepping down as joint CEO at Sygnia.
